

RATE DEBATE IN SENATE RESUMED

Three Speeches Yesterday, and Discussion Will Be Continued To-day.

BAILEY REPLIES TO CRITICS

House Abolishes Grade of Lieutenant-General—Moro "Massacre" Referred to Again.

(By Associated Press.)
WASHINGTON, March 19.—There were three speeches on the railroad rate bill in the Senate to-day, Messrs. McCreary, Bailey and Hepburn being the orators. Mr. McCreary announced his determination to vote for the bill whether amended or not, but said that he would not object to a reasonable provision for the review of the Interstate Commerce Commission's findings.

Mr. Bailey replied to criticisms of his suggestion for a prohibition in the bill against the suspension of the commission's orders by courts below the Supreme Court. He contended that Congress had the absolute power to prescribe limitations for the courts which it creates and cited a large number of decisions in support of his position.

Wants Rates to Stand.
Mr. Bailey said that all he was contending for was to have the rates fixed by the commission stand until finally adjudicated by the court, because he believed it might be assumed that any rate established by that body would be more just than the rates of the railroad companies, the one disinterested and the other interested. "I appeal to you," he declared, "to say which is more apt to be right."

"If you give your voice to that fixed by the commission, I demand in the interest of the people that it stand until a final decree to the contrary is recorded." He read a letter from an attorney in Florida, reciting Judge Parker's course in enjoining that State from instituting a suit to compel the reduction of passenger rates, a proceeding, he said, which shows how far "these learned and upright judges" may go in the use of their powers. He declared that even if he stood at one he would submit to the Senate the question as to whether the courts may exercise arbitrary power like that assumed by Judge Parker.

"Are we to understand that the Senate favors a final review by the courts?" Mr. Aldrich asked.
"I do," replied Mr. Bailey. "I have never seen the day when I would favor the closing of the doors of the courts to any person, corporate or otherwise. I favor a fair and impartial proceeding. What I contend for is that the courts should not have the power to set aside findings without thorough inquiry."

Mr. Hepburn advocated a review provision, but expressed the opinion that it was omitted no person could be deprived of his right of admission to the courts.

The Senate adjourned until to-morrow.

ABOLISH GRADE, BUT PROMOTE GENERALS
(By Associated Press.)
WASHINGTON, March 19.—The House to-day reached a compromise on the question of abolishing the grade of lieutenant-general in the army by providing that it shall not become effective until October 12th next, in order that Generals

S.S.S. FOR THE BLOOD

The purifying action and curative properties of this great remedy have made "S. S. S. For the Blood" a household saying, and thousands who are today enjoying perfect health owe their recovery from blood or skin diseases to this universally used blood medicine. S. S. S. is made entirely from roots, herbs and barks which possess not only cleansing and healing ingredients, but building-up and strengthening properties to keep the blood in perfect order. No one can be well when the blood is impure; they lack the energy and strength that is natural with health, the complexion becomes pale and sallow, the vitality is weakened and they suffer from a general broken down condition. When the waste or refuse matter, which nature intends shall be thrown off, is left in the system because of a sluggish, torpid condition of the expelling members, it is absorbed into the blood, making this vital stream weak, sour and acid, and its condition is manifested by boils, pimples, rashes, blotches and other eruptions of the skin. S. S. S. goes into the circulation and removes every particle of blood taint or poison of every character, makes the blood fresh and strong and gives energy to the entire body. When the blood has been cleansed by S. S. S. all skin diseases and eruptions pass away and the smooth, clear skin, glowing with health, shows that the body is being nourished by rich, pure blood. Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Contagious Blood Poison, etc., are all deep-seated blood disorders, and for their cure nothing equals S. S. S. It does not injuriously affect the most delicate parts of the body and can be taken with perfect safety by old or young. Book on the blood and any medical advice desired without charge.
